Architecture Film Fest Kicks Off In Style With Massimo And Lella Vignelli

Publicado el [octubre 19, 2012](#) por [:: noticias arquitectura ::](#)

Step aside, Cannes Film Festival. New York City's design establishment descended upon Tribeca Cinemas last night for the opening of the annual Architecture and Design Film Festival, which this year includes more than 25 films from around the globe. The event featured the world premier of the 86-minute documentary Design is One: Lella and Massimo Vignelli, [Sigue leyendo →](#)
